Amenity-rich, 24-hour nursing care

THE PINES
AT • DAVIDSON

When you or a loved one requires skilled nursing care, don't settle for anything less.

NursingUPGRADED is Expanded with two new neighborhoods in 2020. The Hidell Nursing Center at The Pines at Davidson is ready to accommodate you in every aspect of wellness.

We've created a special care experience within an already superlative senior living community. The Hidell Nursing Center features private rooms arranged to create four sun-filled, high-tech/soft-touch nursing care neighborhoods. Connected in the center, these cheerful, intimate, walkable and wheelchair-friendly neighborhoods feature a porch or sunroom, cozy dining rooms, and common social areas. For comfort and convenience, each private room has its own thermostat and refrigerators are standard in 2 of the neighborhoods. 24-hour care is provided by registered nurses and professionals, led by our Director of Nursing and Medical Director.

Medicare-reimbursable services include: physician care; physical, occupational and speech therapies; mobile dentistry; podiatry; audiology; prescription medication and hospice.

The NursingUPGRADED Difference

Nestled within the lush 142-acre campus of Greater Lake Norman's premier, not-for-profit, continuing care retirement community (CCRC), and backed by more than 30 years of caring expertise and financial strength.

Access to all the amenities, resources, and programs of a thriving community: The Pines at Davidson—a highly-rated, fiscally strong, not-for-profit Continuing Care Retirement Community (CCRC) established in 1988.

Appetizing and nutritious dining created by our Johnson and Wales-trained Culinary Director and Certified Executive Chef, full-time Registered Dietitian, and expert culinary team.

Our Great Gait™ evidence-based program minimizes the risk of falling by improving walking speed and balance through increased core and lower body strength.

Certified Recreational Therapists lead a team who deliver a variety of person-centered treatment plans, including active participation in music, art, daily exercise, gardening, and pet therapy.
